# New Corsets---Special Value

The P. N. Corset Company make some of the best Corsets sold in the United States. During the dull season last summer they made

up a lot of dollar goods to sell at 75c rather than close down any part of their factory.

Very good quality Coutil, high bust, long hip, cork protectors in front, and boned with steels that will not rust. The Corset is the best on the market to-day at 75c. Only a limited number of them at this price.
